In one of the best neighborhoods in the city, this home has all that you are looking for! Square footage is 2065 sq feet of the main home and an extra 552 square feet that has been added by closing in of the garage. This spacious home has a very open floor plan with a large living/dining room area when first entering the home. In the living area, there is also a nice brick fireplace. The kitchen is a galley style, pass-through kitchen with laminate countertops, tile backsplash, built-in oven, glass cooktop, built-in microwave, recessed lighting, and raised panel cabinets. Through most of the house, there is wood laminate flooring with the exception of bathrooms and kitchen has ceramic tile. All of the bedrooms are a good size with nice size closets. Two of the bedrooms are connected with a Jack and Jill bathroom with a double sink and bathtub with shower. The master bedroom has tons of room and an en-suite bathroom with double sink, garden jetted tub, stand up shower, and a glass block window over the tub. The Washer and dryer are conveniently located in the hall next to the master bedroom entrance. The garage has been converted 552 more square feet of living space that is carpeted with central heat and air. On the outside of the home, a water well, nice patio, and a detached two car garage is located at the back of the house with a secluded entrance from the rear of the property.
